

The University of Louisiana at Monroe Interfraternity Council Preview Week

WELCOME

Welcome to the University of Louisiana at Monroe. Greek organizations at ULM have traditionally been strong contributors to the improvement of the university and the surrounding community. Founded upon the principles of scholarship, leadership, community service and development of life long friendships, Greek organizations today still practice these fundamental principles in their pursuit of excellence. There are currently four IFC fraternities at ULM: Kappa Sigma, Delta Sigma Phi, Kappa Alpha Order, and Pi Kappa Alpha.

ELIGIBILITY

A man is eligible to participate in Fraternity Rush if he is a fully enrolled student registered at ULM for at least 12 hours. There is not a minimum grade point average required to participate in formal rush, however individual fraternity grade requirements and/or initiation requirements vary. *Please note that Delta Community College students are not allowed to join IFC Fraternities.*
